

Mission Statement:

To offer and implement excellent care, respect and courtesy towards our children, parents, community and each other.

To provide a safe and encouraging place for our students to go after the regular learning day.

To make connections with our student, parents, and community members that will have a lasting effect and brighten our future as a whole.

Safe transportation is provided to students to & from the school site as needed & offsite activities.

“

I'd walk a mile for a quality program. But I wouldn't walk across the street for a bad one.

Who We Are

Bethune Elementary was established in 1972 and named after Mary Bethune who was an outstanding pioneer within the education community. Mary Bethune strived to establish the best in education, health and welfare for her community. Edison-Bethune Charter Academy is pleased to follow in the great tradition Mrs. Bethune established. We proudly became partner in education with West Fresno's community. We have received our charter through Fresno County Office of Education.
