Parent/Family Engagement

EBCA aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). EBCA school staff recognizes a partnership with families is essential to meet this goal. Our Parent/Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of EBCA's complete policy is available upon request in the main office.

The Board recognizes that parents/guardians are their children's first and most influential teachers and that sustained parent involvement in the education of their children contributes greatly to student achievement and a positive school environment. The Executive Director/Principal or designee shall work with staff and parents/guardians to develop meaningful opportunities at all grade levels for parents/guardians to be involved in school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so.

The Executive Director/Principal or designee shall regularly evaluate and report to the Board on the effectiveness of the Charter School's parent involvement efforts, including, but not limited to, input from parents/guardians and school staff on the adequacy of parent involvement opportunities and barriers that may inhibit parent/guardian participation.

A copy of the Charter School's complete Parent/Family Engagement Policy is available upon request in the main office and on our websites.

Involuntary Removal Process

No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action ("Involuntary Removal Notice"). The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student's basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the Student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the Student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or re-occur.

Valuables and personal items

Expensive jewelry and other personal items should not be brought to school. The School cannot be responsible in the case of any lost or stolen valuables. Only enough money necessary for lunch, and other needs should be brought to school.

Students are not to bring toys, balls, games, radios, or other such items to school. No electronic devices are allowed at school. Students bringing such items without permission may have them taken away and held in the office. Phones must be turned off during school hours.

1. Skateboards are not allowed on campus.
2. Baseball trading cards and other similar items are not to be brought to school.
3. Explosive devices of any type may not be brought to school.

Lost or Damaged School Property

If a student willfully damages EBCA's property or the personal property of a EBCA employee, or fails to return a textbook, library book, computer/tablet or other EBCA property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, EBCA may withhold the student's grades, transcripts, and diploma until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, EBCA will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades and diploma will be released.

Snacks

Students may bring nutritious snacks to eat in designated areas. Gum and sunflower seeds are not allowed at school at any time.

Classroom Celebrations

Food or Balloons of any kind may not be dropped off at school for class birthday celebrations. The main reasons for this are healthy nutrition and we have several students with a variety of food and latex allergies that we must monitor.

We will limit classroom celebrations to that last 30 minutes of the day for the following days:

- October 31- Halloween (when it falls during the week Monday-Friday)
- November- Thanksgiving Break (last day before Thanksgiving break)
- December- Winter Break (last day before winter break)
- February 14- Valentine's Day (when it falls during the week Monday-Friday)
- June last day of school

Keep in mind these are the only days allowed but grade levels will have the discretion to not participate if they feel it is a disruption to the learning process.

Library

EBCA has a library that contains books and materials for use in the classrooms. Students may check out books from the library. If a book is not returned in a timely manner, a notice will be sent to the student and parent.

INSTRUCTIONAL PROGRAM

English Learners

The Charter School is committed to the success of its English Learners and support will be offered both within academic classes and in supplemental settings for students who need additional support for English language learning. The Charter School will meet all applicable legal requirements for English Learners as they pertain to annual notification to parents, student identification, placement, program options, English Learners and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. The Charter School will implement policies to assure proper placement, evaluation, and communication regarding English Learners and the rights of students and parents.

Homework Expectations

The assigning of regular homework is a practice regarded as an important part of our educational program. Homework adds to and significantly strengthens the learning process.

Homework is defined as planned learning assignments, which require time and effort outside of a student's regular school hours. Homework reinforces classroom learning and expands upon the classroom experiences.

The purposes of homework are to:

- Develop regular study habits and self-discipline basic to effective study and the ability to work independently.
- Gain more information than would be possible in the classroom situation alone.
- Learn to manage time effectively.
- Extend learning beyond the school into the home and community.
- Practice skills already acquired.
- Provide parents with a sense of what students are learning.

Availability of Prospectus

Upon request, the Charter School will make available to any parent or legal guardian, a school prospectus, which shall include the curriculum, including titles, descriptions, and instructional aims of every course offered. Please note that, pursuant to law, the Charter School may charge for the prospectus in an amount not to exceed the cost of duplication.

Parent/Teacher Conferences and Report Cards

During the school year, the School will keep parents informed about student progress. Teachers communicate on an informal basis throughout the school year, and report cards are sent home with students at the end of each quarter. The school will hold two parent/teacher conferences to discuss academic and social growth. During Parent/Teacher Conference Week will have early release at 1:15 pm pick up your children on time.

Teachers may send notices home to notify parents that their child is not meeting grade level expectations. Parents are advised to contact teachers to discuss concerns about their child's progress. Parent/teacher conferences are encouraged and may be scheduled by parents or teachers at any time. If you are concerned about your child, please call the school office to schedule an appointment with the classroom teacher.

Testing

EBCA shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress ["CAASPP"].) Notwithstanding any other provision of law, a parent's or guardian's written request to EBCA officials to excuse their child from any or all parts of the CAASPP shall be granted. Upon request, parents have a right to information on the level of achievement of their student on every State academic assessment administered to the student.

Teacher Qualification Information

As EBCA receives Title I federal funds through the Elementary and Secondary Education Act ("ESEA"), as reauthorized and amended by Every Student Succeeds Act ("ESSA"), all parents/guardians of students attending the Charter School may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals, including at a minimum:

1. Whether the Student's teacher:
 - a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instructions;
 - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
 - c. Is teaching in the field of discipline of the certification of the teacher; and
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, EBCA will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact the Executive Director at (559) 457-2530 to obtain this information.

STUDENT ACTIVITIES

Athletics

EBCA participates in the Fresno Unified Elementary Intramural Sports Program. Students are to follow all school rules when participating in athletic practices or events.

Concussion/Head Injuries

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because the Charter School has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until he or she is evaluated by, and receives written clearance from, a licensed health care provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

Sudden Cardiac Arrest Prevention and Automated External Defibrillators

The Charter School is invested in the health of its athletes, especially their heart health. Sudden cardiac arrest ("SCA") is when the heart stops beating, suddenly and unexpectedly. Those wishing to participate in athletics at the Charter School, must review the information sheet on sudden cardiac arrest via the following link: : <https://www.cdc.gov/dhdsdp/docs/cardiac-arrest-infographic.pdf>.

Opioid Information Sheet

The Charter School annually provides each athlete with an Opioid Factsheet for Patients published by the Centers for Disease Control and Prevention. The athlete and, if the athlete is 17 years of age or younger, the athlete's parent or guardian shall sign a document acknowledging receipt of the Opioid Factsheet for Patients and return that document to the Charter School before the athlete initiates practice or competition. The fact sheet is available at:

<https://www.cdc.gov/drugoverdose/pdf/AHA-Patient-Opioid-Factsheet-a.pdf>

Extracurricular/Co-Curricular Activities

Extracurricular/co-curricular activities shall include all activities directly and indirectly related to classroom and school matters (plays, concerts, athletics, and field trips, before and after school functions, outside of the regular student day). Extracurricular activities are an integral part of school life and often require as much careful planning and supervision as the academic subjects.

However, care must be taken that these activities do not take precedence over academics, but remain in the position of supplementing the academic course of study.

In order to participate in extra/co-curricular activities, students must demonstrate satisfactory educational progress in meeting the requirements for graduation.

To encourage and support academic excellence, student will be required to earn a minimum 2.0 GPA or "C" grade point average on a 4.0 GPA scale, and demonstrate satisfactory citizenship and attendance in order to participate in extra/co-curricular activities.

Before School and After School Program

EBCA provides a free-of-charge before and after school program open to students on a first-come-first serve application basis. Due to limited space, we encourage families to apply as early as possible. Application forms as well as more information about the program is available in the After School Program Office. EBCA reserves the right to withdraw a student's participation in the program or deny participation based upon habitual violation of the School attendance policy, a grade point average of under 2.0 GPA, or significant behavioral issues.

SCHOOL POLICIES AND PROCEDURES

Nondiscrimination Statement

EBCA does not discriminate against any person on the basis of actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, pregnancy, or any other characteristic that is contained in the definition of hate crimes in the California Penal Code.

EBCA adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990 ("ADA"), and the Individuals with Disabilities Education Improvement Act of 2004 ("IDEIA").

EBCA does not discourage students from enrolling or seeking to enroll in EBCA for any reason, including, but not limited to, academic performance, disability, neglect or delinquency, English proficiency, for being homeless or a foster/mobile youth, economic disadvantage, nationality, race, ethnicity, or sexual orientation. EBCA shall not encourage a student currently attending EBCA to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance with the EBCA's charter and relevant policies.

EBCA School does not request nor require student records prior to a student's enrollment.

The EBCA shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over of the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

EBCA is committed to providing an educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex); Titles IV, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin); The Age Discrimination Act of 1975; the IDEIA; and Section 504 and Title II of the ADA (mental or physical disability). EBCA also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, immigration status, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation. EBCA does not condone or tolerate harassment of any type, including discrimination, intimidation, or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which EBCA does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. EBCA will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted.

Inquiries, complaints, or grievances regarding harassment as described in this section, above, should be directed to the EBCA Uniform Complaint Procedures (“UCP”) Compliance Officer:

Compliance Officer:

Rodolfo Garcia
Executive Director/Principal
Edison-Bethune Charter Academy
1616 S. Fruit Street. Fresno, CA 93706
(559) 457-2530

The lack of English language skills will not be a barrier to admission or participation in ECBA’s programs or activities. ECBA prohibits retaliation against anyone who files a complaint or who participates or refuses to participate in a complaint investigation.

Attendance

Regular attendance is a very important part of your child's education. Parents are responsible for punctual and regular attendance of their children. Parents should call the School when their child is absent. EBCA expectations are good attendance and good behavior.

Like absences, tardies are also disruptive to your child's education. Please have your child arrive at school on time. Students arriving late to school will report to the office to receive a pass to class. Excessive tardies may lead to lunch detention. Tardies are only excused with a signed doctor's or parent's note.

A copy of the complete attendance policy, including truancy procedures and consequences, is available for review in the main office and on the school website.

Reporting Absences

When your child is absent, please follow these procedures. Upon returning to school after an absence, a child's absence may be cleared by calling the school at (559) 457-2530, providing a doctor's note, or having your child bring in a note signed by a parent, parent representative, or guardian stating the following:

- Date note written
- Student's first and last name
- Specific reason for absence (in alignment with the excused absences list above)
- Date of absence
- Parent Signature

This note should be presented to your child's teacher or the front office.

Children Leaving School Early

If you are picking up a child during school hours for any reason, please report to the school office and inform the secretary. The child will then be called to the office for you. Children will not be called out of class before an adult is in the office for the child and may not wait in the office. Children will only be released to parents or adults listed on the emergency card (who provide a picture I.D.). This is a safety measure for the protection of your child. Keep in mind pulling your child out early excessively may interfere with their education. Limit the times you pull them out early to emergencies only.

Class Field Trips

Throughout the school year, students occasionally leave school to participate in classroom field trips. For proper student preparation and safety, students need to be present at school on the day prior to the field trip. Parent permission slips must be signed and returned to school personnel prior to the trip. All school rules of conduct and procedures will be observed and enforced on field trips. A complete copy of the Field Trip Policy is located in the main office and on the website.

Independent Study

EBCA offered independent study. A complete copy of the Independent Study Policy is located in the main office and on our website.

Visitors and Volunteers

Adult visitors to the school are welcome. Adult classroom volunteers are appreciated. **Please sign in at the school office each time you come to volunteer or visit.** Classroom visits need to be arranged ahead of time with the classroom teacher and are subject to the teacher's or administration's discretion. When you visit, a visitor badge will be issued to you in the front office upon your arrival. The badge will indicate to school personnel and students that you are authorized to be on the campus. At all times visitors/volunteers must be under the direct supervision of a school staff member. All volunteers participating in field trips (local or overnight) must have completed an appropriate **Department of Justice background check/fingerprinting recent /TB test within the last 2 years.** All volunteers who have frequent or prolonged contact with students (such as classroom volunteers) will be required to complete a TB test. Visitors and volunteers are expected to follow all school rules while on campus and promote a positive learning environment. Failure to adhere to school policies may result in the visitor or volunteer being asked to leave and may result in a restriction from future volunteering or visiting.

If the visitor is a government officer/official (including but not limited to local law enforcement officers, immigration enforcement officers, social workers, district attorneys, or U.S. attorneys) the officer/official will also be asked to produce any documentation that authorizes school access. EBCA shall make reasonable efforts to notify parents or guardians prior to permitting a student to be interviewed or searched, consistent with the law and/or any court order, warrant or instructions from the officer/official. A copy of the documentation provided by the officer and notes from the encounter may be maintained by EBCA, consistent with the law. The EBCA Board of Directors and Bureau of Children's Justice in the California Department of Justice, at BCJ@doj.ca.gov, will be timely informed regarding any attempt by a law-enforcement officer to access a school site or a student for immigration-enforcement purposes, as recommended by the Attorney General.

If you have questions or concerns about volunteering, please ask your child's teacher or the EBCA Administration. We will be happy to answer questions and concerns. Volunteers are invaluable support for our students. The complete Visitor and Volunteer Policy is available upon request at the main office or located on the school website.

EBCA believes that technology and its utilization enhances the quality and delivery of education and is an important part of preparing children for life in the 21st century. The community of technology users must understand that the Internet is a global, fluid community, which remains largely unregulated. While it is an extremely valuable educational tool, there are sections that are not commensurate with community, school, or family standards. EBCA believes that the Internet's advantages far outweigh its disadvantages and will provide Internet filtering that blocks access to a large percentage of inappropriate sites. It should not be assumed that users are completely prevented from accessing inappropriate materials or from sending or receiving objectionable communications.

Additionally, EBCA considers access to the Internet and computer resources a privilege, not a right. Therefore, users violating the EBCA Internet Safety Policy or Acceptable Use Agreement may be subject to revocation of these privileges and potential disciplinary action.

It is the policy EBCA to:

1. Prevent users from accessing or transmitting inappropriate material over its network via the Internet, electronic mail, or other forms of direct electronic communications;
2. Prevent unauthorized access and other unlawful online activity;
3. Prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and
4. Comply with the Children's Internet Protection Act.

Student Records, including Records Challenges and Directory Information

The Family Educational Rights and Privacy Act ("FERPA") affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 5 business days after the day the Charter School receives a request for access. Parents or eligible students should submit to the Charter School Executive Director/Principal or designee a written request that identifies the records they wish to inspect. The Charter School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the Charter School to amend a record should write the Charter School's Executive Director/Principal or designee, clearly identify the part of the record they want changed and specify why it should be changed. If the Charter School decides not to amend the record as requested by the parent or eligible student, the Charter School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If the Charter School decides to amend the record as requested by the parent or eligible student, the Executive Director/Principal must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before the Charter School discloses personally identifiable information ("PII") from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by the Charter School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the Charter School's Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of the Charter School who performs an institutional service or function for which the Charter School would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks. A Charter School official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, the Charter School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student's enrollment or transfer.

Note that Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

FERPA permits the disclosure of PII from a student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to Charter School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the Charter School to record the disclosure. The Charter School will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, the Charter School will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;
3. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;

Parents are required to inform the School of any medication to be taken by the child during regular school hours, including before- or after-school programs, field trips, extracurricular or co-curricular activities, and camps or other activities that typically involve at least one overnight stay from home.

Designated staff will keep records of the medication administered to students at the school. Medications must be administered only as prescribed. All medications, including over-the-counter medications, must be kept in the nurse's office.

Please see the office for the full Administration of Medications Policy, including the use of epi-pens and inhaled asthma medication, on the school website and in the main office.

Illness

For the protection of your child, and others, students who are too ill to go out for recess should stay home. If a student becomes ill during the school day, the parent will be notified. Students who cannot participate in physical education, because of medical reasons, must bring a doctor's note after three days of non-participation.

Safety Procedures

Fire drills are practiced at school on a monthly basis. First aid kits and fire extinguishers are in classrooms. Evacuation plans are posted in each classroom. If any emergency should take place, students will be kept at school until parents, or other adults who have permission from the parents, come to school to sign out the student.

Comprehensive School Safety Plan

The Charter School has established a Comprehensive School Safety Plan. The Plan is available upon request at the main office.

Emergencies

In the event of an emergency, every attempt will be made to contact parents if a student requires immediate medical attention. We will attempt to contact anyone we can on the emergency card or in our data system. It is very important and required that every student have up-to-date telephone numbers, addresses, and other information on file with the office. If there is a change in your address or home/cell/work telephone number, please notify the School immediately so the information can be changed for the safety of your children.

Insurance

The School does NOT provide accident insurance for our students for any injuries that might happen while your child is at school or participating in school activities. A health release form must be signed before a student can participate in after-school programs. For information on access to state-sponsored health insurance, please review the forms provided to you upon enrollment.

Children—regardless of immigration status (foster youth, pregnant women, and legally present individuals, including those with deferred action for childhood arrivals [“DACA”] status) may be eligible for no- or low-cost Medi-Cal insurance. Medi-Cal covers immunizations, checkups, specialists, vision and dental services, and more for children and youth at no- or low-cost. Medi-Cal enrollment is available year-round.

Covered California is where legal residents of California can compare quality health plans and choose the one that works best for them. Based on income and family size, many Californians may qualify for financial assistance. Enroll during Open Enrollment or any time you experience a life-changing event, like losing your job or having a baby. You have sixty (60) days from the event to complete enrollment. Information regarding the availability of insurance is provided with enrollment forms and available at:

http://hbex.coveredca.com/toolkit/PDFs/ALL_IN_Flyer_EnrollGetCareRenew_CC.pdf

The Charter School shall not discriminate against a pupil who does not have health care coverage or use any information relating to a pupil's health care coverage or interest in learning about health care coverage in any manner that would bring harm to the pupil or the pupil's family.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. The Charter School believes it is a priority to inform our students about (1) the prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, the Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. An opt-out form is available at the main office for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

Tobacco Free Schools

Ample research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. The Charter School provides instructional programs designed to discourage students from using tobacco products. The Charter School's Governing Board recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with the goals of the Charter School to provide a healthy environment for students and staff.

In the best interest of students, employees, and the general public, the Board therefore prohibits the use of tobacco products at all times on Charter School property and in Charter School vehicles. This prohibition applies to all employees, students, visitors, and other persons at school or at a school-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from the Charter School.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited.

The Executive Director or designee shall inform students, parents/guardians, employees, and the public about this policy. All individuals on Charter School premises share in the responsibility of adhering to this policy. Additionally, the Charter School will post signs stating "Tobacco use is prohibited" prominently at all entrances to school property.

California Healthy Kids Survey

The Charter School will administer the California Healthy Kids Survey ("CHKS") to students at grades five, seven, nine, and eleven whose parents or guardians provide written permission. The CHKS is an anonymous, confidential survey of school climate and safety, student wellness, and youth resiliency that enables the Charter School to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

School Bus and Passenger Safety

Upon registration, the Charter School is required to provide safety regulations to all kindergarten through sixth (6th) grade new students and students who have not previously been transported by school bus. Additionally, the Charter School must also provide safety instruction to all students in kindergarten through sixth (6th) grade who receive home-to-school transportation. A copy of the complete Policy is available upon request at the main office.

Surveys About Personal Beliefs

Unless the Student's parent/guardian written permission, a student will not be given any test, questionnaire, survey, or examination containing any questions about the student's parents' or guardians' personal beliefs or practices in sex, family life, morality, or religion.

Mental Health Services

The Charter School recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at the Charter School and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. Pregnant and Parenting Students

The Charter School recognizes that pregnant and parenting Students are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting student is entitled to eight (8) weeks of parental leave, or more if deemed

medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. The Charter School will ensure that absences from the student's regular school program are excused until the student is able to return to the regular school.

Upon return to school after taking parental leave, a pregnant or parenting student will be able to make up work missed during the pregnant or parenting student's leave, including, but not limited to, makeup work plans and reenrollment in courses. Complaints of noncompliance with laws relating to pregnant or parenting pupils may be filed under the Uniform Complaint Procedures ("UCP") of the Charter School. The complaint may be filed in writing with the compliance officer:

Rodolfo Garcia

BEHAVIOR EXPECTATIONS, DISCIPLINE GUIDELINES, & COMPLAINT PROCEDURES

EBCA uses a restorative Justice approach using principles from Discipline that Restores and principles from a program called Time to Teach. Our discipline philosophy is to build a positive relationship between student and staff. "Trust grows when agreements are made and kept." Our focus is on a peacemaking process rather than a punitive approach.

Administration Responsibilities

The administrators of EBCA will monitor the implementation of the discipline program and assure consistency of its enforcement for all grade levels. The Executive Director/Principal will make final decisions relating to School policy.

Teacher Responsibilities

The teachers will support administrative policies. Teachers will frequently monitor and review the discipline policy with the students to assure consistent implementation.

Student Responsibilities

Students will follow all school rules, show respect for all adults, fellow students, and both personal and school property.

Parent Responsibilities

The parents of students attending EBCA must support the school rules and policies. By signing and returning the designated form at the end of the Student Handbook, the parent acknowledges the acceptance of EBCA School rules and policies. In the event that a parent does not or will not return the signed form, it is understood that all rules, regulations, policies, and administrative decisions are in effect and binding on any student(s) attending EBCA. Active, positive parent participation is encouraged and needed to achieve the goals and objectives of EBCA.

While it is the School's duty to develop a response plan and to inform you of the consequences for negative behavior, we pride ourselves on reinforcing positive behavior. To this end, we are constantly designing activities and award recognition opportunities. Some of these are:

- Honor Roll
- Merit Roll
- Top Cats Awards
- Core Value Awards
- Purrfect Attendance Award
- Student of the Week Awards
- Student of the Month Awards
- Classroom Rewards
- Class projects/field trips/activities
- Great Attendance Challenge

Community Code of Conduct at EBCA

Good citizenship, respect for one another, and adherence to school rules are fundamental to student achievement. EBCA has a Community Code of Conduct with consequences. We use a progressive discipline system with a heavier consequence assigned with each referral. If a student chooses to climb the discipline ladder by accumulating referrals and exhibiting chronic defiance, this may lead to a recommendation for expulsion.

Possible consequences are:

- Student conference Executive Director/Principal or designee
- Conference with Parent/Student/Teacher/ Executive Director/Principal or designee
- Detention/Loss of recess privilege
- Campus Beatification/Work Detail
- Placement on a Behavior Contract
- Parent requested to sit with student in class
- Loss of privilege to a school activity
- Saturday School
- Period Suspension from class
- Off campus suspension (1 to 5 days)
- Expulsion

The Community Code of Conduct is in effect on the way to school and from school, at school, and at all EBCA school activities. We have the expectation that our students be respectful and honorable citizens all of the time.

The administration reserves the right to determine consequences based on the seriousness of a particular infraction and/or the previous discipline record of the student. The School may choose any or all of the consequences listed above, depending on the particular facts of each incident.

Parental support is crucial to changing student behavior. Parents are encouraged to work with the classroom teacher to help your child become a well-behaved and successful student. For the complete Suspension & Expulsion Policy, please see the Appendix of the Handbook.

EBCA Core Values

Integrity, Justice, Hope, Wisdom, Courage, Compassion, Responsibility, Respect and Pride

Students are expected to follow our Core Values here at EBCA. If students learn to live by these values at school and at home, they should be successful students with no discipline referrals at all.

School Credo: Be Safe, Be Respectful, Be Responsible.

While EBCA is committed to its restorative justice discipline framework, this process is utilized alongside our Suspension & Expulsion Policy to address student behavior. A complete copy of the Suspension & Expulsion Policy is available in the main office and within the Appendix of this Handbook.

Campus Search and Seizure

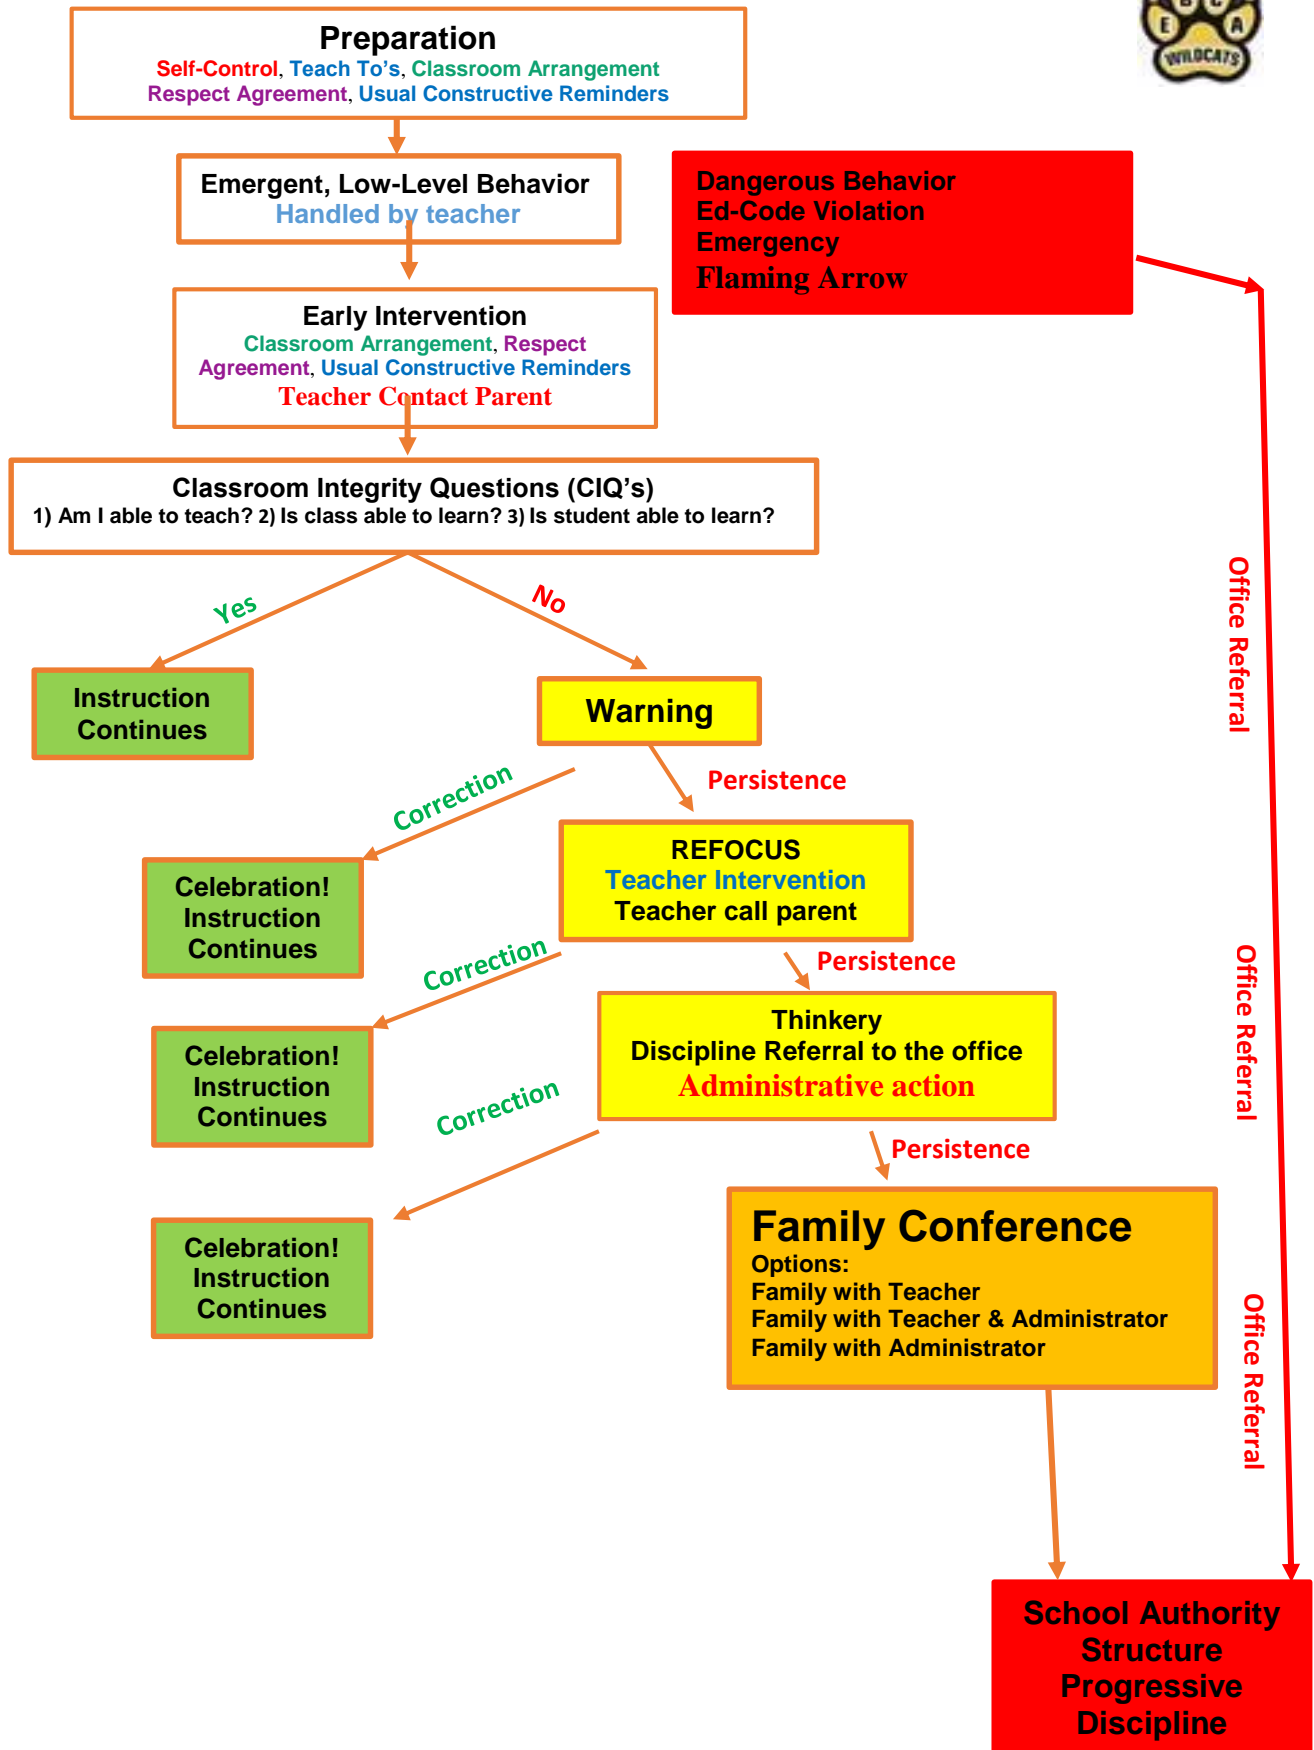

The Charter School recognizes and has determined that the occurrence of incidents which may include the possession of firearms, weapons, alcohol, controlled substances, or other items of contraband prohibited by law or Charter School rules and regulations, jeopardizes the health, safety and welfare of students and Charter School employees.

The California Constitution requires that all students and staff of public schools have the inalienable right to attend campuses which are safe, secure, and peaceful. As such, Charter School has adopted a Policy outlining the reasonable search of students and their property, student use areas, and/or student lockers and the seizure of illegal, unsafe, unauthorized or contraband items and materials through a search based upon reasonable suspicion.

A student's personal cell phone, smartphone, or other personal electronic device shall not be searched by school officials without a warrant, the student's consent, or a legitimate emergency, unless the device is lost or abandoned. An emergency is any situation involving danger of death or serious physical injury to any person, that requires access to the information located or reasonably believed to be located on the electronic device. If the Charter School has a good faith belief that the device is lost, stolen, or abandoned, the Charter School may only access electronic device information in order to attempt to identify, verify, or contact the owner of the device.

The Charter School is not prohibited from seizing/confiscating a student's personal electronic device, without searching its contents, if the student's use or possession of the private electronic device is in violation of Charter School rules or regulations.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and the Charter School's UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report ("Decision") within sixty (60) calendar days from the Charter School's receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal EBCA's Decision to the California Department of Education ("CDE") by filing a written appeal within thirty (30) calendar days of the date of the Charter School's written Decision, except if the Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with EBCA, a copy of the Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. The Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, the Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in the Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in the Charter School's Decision is inconsistent with the law.
5. In a case in which the Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals the Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If the Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, the Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of EBCA's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of the complainant's right to file a complaint in accordance with 5 C.C.R. § 4622.

A copy of the UCP shall be available upon request free of charge in the main office or located on the school website. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Executive Director/Principal.

General Parent Complaints Policy

Parents or guardians of students may present written complaints regarding charter school employees or any aspect of their child's education. Parents should always talk to the classroom teacher first.

A complete copy of the General Complaints Policy is located on the school website and in the main office.

APPENDIX

Suicide Prevention Policy

Board Policy #: BP-22

Approved: September 24, 2020

Revised: September 24, 2020

The Board of Directors of Edison Bethune Charter Academy (“EBCA” or the “Charter School”) recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with EBCA and community stakeholders, EBCA school-employed mental health professionals (e.g., school counselors, psychologists, social workers, nurses), administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, the county mental health plan, law enforcement, and community organizations in planning, implementing, and evaluating EBCA’s strategies for suicide prevention and intervention. EBCA must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, EBCA shall appoint an individual (or team) to serve as the suicide prevention point of contact for EBCA. The suicide prevention point of contact for EBCA and the Executive Director/Principal shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Staff Development

EBCA, along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff). Training shall include the following:

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.
2. At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
3. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and postvention) at the beginning of their employment or annually. Core components of the general suicide prevention training shall include:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a student about thoughts of suicide.
 - c. How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and an immediate referral for a suicide risk assessment.
 - d. Emphasis on immediately referring (same day) any student who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member.
 - e. Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide.
 - f. Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.

- g. Information regarding groups of students judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - i. Youth affected by suicide.
 - ii. Youth with a history of suicide ideation or attempts.
 - iii. Youth with disabilities, mental illness, or substance abuse disorders.
 - iv. Lesbian, gay, bisexual, transgender, or questioning youth.
 - v. Youth experiencing homelessness or in out-of-home settings, such as foster care.
 - vi. Youth who have suffered traumatic experiences.
 - vii. [Charter school may insert other local youth populations vulnerable to depression and suicide].
4. In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff may include the following components:
- a. The impact of traumatic stress on emotional and mental health.
 - b. Common misconceptions about suicide.
 - c. Charter School and community suicide prevention resources.
 - d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).
 - e. The factors associated with suicide (risk factors, warning signs, protective factors).
 - f. How to identify youth who may be at risk of suicide.
 - g. Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a student about their thoughts of suicide and (based on EBCA guidelines) how to respond to such thinking; how to talk with a student about thoughts of suicide and appropriately respond and provide support based on EBCA guidelines.
 - h. Charter School-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal student should be constantly supervised until a suicide risk assessment is completed.
 - i. Charter School-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention).
 - j. Responding after a suicide occurs (suicide postvention).
 - k. Resources regarding youth suicide prevention.
 - l. Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide.
 - m. Emphasis that any student who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

Employee Qualifications and Scope of Services

Employees of EBCA must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

Parents, Guardians, and Caregivers Participation and Education

1. Parents/guardians/caregivers may be included in suicide prevention efforts. At a minimum, the Charter School shall share this Policy with parents/guardians/caregivers by notifying them where a complete copy of the policy is available.
2. This Suicide Prevention Policy shall be easily accessible and prominently displayed on the EBCA Web page and included in the parent handbook.
3. Parents/guardians/caregivers should be invited to provide input on the development and implementation of this policy.
4. All parents/guardians/caregivers may have access to suicide prevention training that addresses the following:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a student about thoughts of suicide.
 - c. How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.

Student Participation and Education

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, EBCA along with its partners has carefully reviewed and will continue to review all materials and resources used in awareness efforts to ensure they align with best practices for safe messaging about suicide. Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with EBCA and is characterized by caring staff and harmonious interrelationships among students.

EBCA's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience. The instruction shall not use the stress model to explain suicide.

EBCA's instructional curriculum may include information about suicide prevention, as appropriate or needed. If suicide prevention is included in the Charter School's instructional curriculum, it shall consider the grade level and age of the students and be delivered and discussed in a manner that is sensitive to the needs of young students. Under the supervision of an appropriately trained individual acting within the scope of their credential or license, students shall:

1. Receive developmentally appropriate, student-centered education about the warning signs of mental health challenges and emotional distress. The content of the education may include:
 - a. Coping strategies for dealing with stress and trauma.
 - b. How to recognize behaviors (warning signs) and life issues (risk factors) associated with suicide and mental health issues in oneself and others.
 - c. Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help.
 - d. Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.
2. Receive developmentally appropriate guidance regarding EBCA's suicide prevention, intervention, and referral procedures.

Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, orientation classes, science, and physical education).

EBCA will support the creation and implementation of programs and/or activities on campus that raise awareness about mental wellness and suicide prevention (e.g., Mental Health Awareness Week, Peer Counseling).

Intervention and Emergency Procedures

EBCA designates the following administrators to act as the primary and secondary suicide prevention liaisons:

1. School Counselor
2. School Psychologist
3. Executive Director/Principal

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the Executive Director/Principal or designee, who shall then notify the student's parent/guardian as soon as possible if appropriate and in the best interest of the student. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

The suicide prevention liaison shall also refer the student to mental health resources at EBCA or in the community.

When a student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

When a suicide attempt or threat is reported on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the student's physical safety by one or more of the following, as appropriate:
 - a. Securing immediate medical treatment if a suicide attempt has occurred.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened.
 - c. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the student is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other students out of the immediate area.
 - f. Not sending the student away or leaving them alone, even to go to the restroom.
 - g. Providing comfort to the student, listening and allowing the student to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.
2. Document the incident in writing as soon as feasible.
3. Follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary.
4. After a referral is made, EBCA shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the student. If parents/guardians refuse or neglect to access treatment for a student who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of care. If follow up care is still not provided, EBCA may contact Child Protective Services.
5. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at EBCA.
6. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the EBCA campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in EBCA's safety plan. After consultation with the Executive Director/Principal or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Executive Director/Principal or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. EBCA staff may receive assistance from EBCA counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

In the event a suicide occurs or is attempted off the EBCA campus and unrelated to school activities, the Executive Director/Principal or designee shall take the following steps to support the student:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like EBCA to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The suicide prevention liaisons shall handle any media requests.
5. Provide care and determine appropriate support to affected students.
6. Offer to the student and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the student and parent/guardian about any specific requests on how to handle the situation;

informing the student's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the student); appropriate staff maintaining ongoing contact with the student to monitor the student's actions and mood; and working with the parent/guardian to involve the student in an aftercare plan.

Supporting Students during or after a Mental Health Crisis

Students shall be encouraged through the education program and in EBCA activities to notify a teacher, the Executive Director/Principal, another EBCA administrator, psychologist, EBCA counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions. EBCA staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to students and discuss with the student, and parent/guardian, about additional resources to support the student.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on the school community, including students and staff. EBCA shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

1. Coordinate with the Executive Director/Principal to:
 - a. Confirm death and cause.
 - b. Identify a staff member to contact deceased's family (within 24 hours).
 - c. Enact the Suicide Postvention Response.
 - d. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
2. Coordinate an all-staff meeting, to include:
 - a. Notification (if not already conducted) to staff about suicide death.
 - b. Emotional support and resources available to staff.
 - c. Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration).
 - d. Share information that is relevant and that which you have permission to disclose.
3. Prepare staff to respond to needs of students regarding the following:
 - a. Review of protocols for referring students for support/assessment.
 - b. Talking points for staff to notify students.
 - c. Resources available to students (on and off campus).
4. Identify students significantly affected by suicide death and other students at risk of imitative behavior.
5. Identify students affected by suicide death but not at risk of imitative behavior.
6. Communicate with the larger school community about the suicide death.
7. Consider funeral arrangements for family and school community.
8. Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other students should be considered.
9. Identify media spokesperson if needed.
10. Include long-term suicide postvention responses:
 - a. Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed.
 - b. Support siblings, close friends, teachers, and/or students of deceased.
 - c. Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide.

Suspension and Expulsion Policy and Procedures

Board Policy#: BP-16

Approved: September 24, 2020

Revised: September 24, 2020

Policy

The Suspension and Expulsion Policy and Procedures have been established in order to promote learning and protect the safety and wellbeing of all students at Edison Bethune Charter Academy (“EBCA” or the Charter School”). In creating this policy, the Charter School has reviewed Education Code Section 48900 *et seq.* which describe the offenses for which students at non-charter schools may be suspended or expelled and the procedures governing those suspensions and expulsions in order to establish its list of offenses and procedures for suspensions, expulsions and involuntary removal. The language that follows is largely consistent with the language of Education Code Section 48900 *et seq.* The Charter School is committed to annual review of policies and procedures surrounding suspensions, expulsions, and involuntary removals, and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

Consistent with this Policy, it may be necessary to suspend or expel a student from regular classroom instruction. This shall serve as the Charter School’s policy and procedures for student suspension, expulsion, and involuntary removal, and it may be amended from time to time without the need to seek a material revision of the charter so long as the amendments comport with legal requirements. Charter School staff shall enforce disciplinary policies and procedures fairly and consistently among all students. This policy and its procedures will be printed and distributed annually as part of the Student Handbook which will clearly describe discipline expectations.

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of this policy, corporal punishment does not include an employee’s use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

The Charter School administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline and involuntary removal policies and procedures. The notice shall state that this policy and its procedures are available upon request at the Executive Director/Principal’s office.

Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 (“IDEA”) or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 (“Section 504”) is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures. The Charter School will follow all applicable federal and state laws including but not limited to the applicable provisions of the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent/guardian of the student has been provided written notice of intent to remove the student no less than five (5) school days before the effective date of the action. The written notice shall be in the native language of the student or the student’s parent/guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder, and shall inform the student, the student’s parent/guardian, or educational rights holder of the basis for which the student is being involuntarily removed and the student’s parent, guardian, or educational rights holder’s right to request a hearing to challenge the involuntary removal. If a student’s parent, guardian, or educational rights holder requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student’s parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below. Students may be involuntarily removed for reasons including, but not limited to, failure to comply with the terms of the student’s independent study Master Agreement pursuant to Education Code Section 51747(c)(4).

The Charter School will use the following definitions:

- The term “knife” means (A) any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing; (B) a weapon with a blade fitted primarily for stabbing; (C) a weapon with a blade longer than 3½ inches; (D) a folding knife with a blade that locks into place; or (E) a razor with an unguarded blade.
- The term “firearm” means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device. Such term does not include an antique firearm.
- The term “destructive device” means any explosive, incendiary, or poison gas, including but not limited to: (A) bomb; (B) grenade; (C) rocket having a propellant charge of more than four ounces; (D) missile having an explosive or incendiary charge of more than one-quarter ounce; (E) mine; or (F) device similar to any of the devices described in the preceding clauses.

C. Suspension Procedure

Suspensions shall be initiated according to the following procedures:

1. Conference

Suspension shall be preceded, if possible, by a conference conducted by the Executive Director /Principal or the Executive Director/Principal’s or designee with the student and the student’s parent/guardian and, whenever practical, the teacher, supervisor or Charter School employee who referred the student to the Executive Director/Principal or designee.

The conference may be omitted if the Executive Director/Principal or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of students or Charter School personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student’s right to return to school for the purpose of a conference.

At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against the student and shall be given the opportunity to present their version and evidence in their defense, in accordance with Education Code Section 47605(c)(5)(J)(i). This conference shall be held within two (2) school days, unless the student waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a student for failure of the student’s parent/guardian to attend a conference with Charter School officials. Reinstatement of the suspended student shall not be contingent upon attendance by the student’s parent/guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense(s) committed by the student as well as the date the student may return to school following the suspension. In addition, the notice may also state the time when the student may return to school. If Charter School officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of expulsion by the Executive Director/Principal or designee, the student and the student’s parent/guardian or representative will be invited to a conference to determine if the suspension for the student should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the student or the student’s parent/guardian, unless the student and the student’s parent/guardian fail to attend the conference.

This determination will be made by the Executive Director/Principal or designee upon either of the following:

1) the student's presence will be disruptive to the education process; or 2) the student poses a threat or danger to others. Upon either determination, the student's suspension will be extended pending the results of an expulsion hearing.

4. Homework Assignments During Suspension

In accordance with Education Code Section 47606.2(a), upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the student, or the affected student, a teacher shall provide to a student in any of grades 1 to 12, inclusive, who has been suspended from school for two (2) or more school days, the homework that the student would otherwise have been assigned.

In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested pursuant to Section 47606.2(a) and turned into the teacher by the student either upon the student's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the student's overall grade in the class.

D. Authority to Expel

As required by Education Code Section 47605(c)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled either by the neutral and impartial Charter School Board of Directors following a hearing before it or by the Charter School Board of Directors upon the recommendation of a neutral and impartial Administrative Panel, to be assigned by the Board of Directors as needed. The Administrative Panel shall consist of at least three (3) members who are certificated and neither a teacher of the student nor a member of the Charter School Board of Directors. Each entity shall be presided over by a designated neutral hearing chairperson. The Administrative Panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

E. Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Executive Director/Principal or designee determines that the student has committed an expellable offense and recommends the student for expulsion.

In the event an Administrative Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all student confidentiality rules under the Family Educational Rights and Privacy Act "FERPA") unless the student makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the student. The notice shall include:

1. The date and place of the expulsion hearing.
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based.
3. A copy of the Charter School's disciplinary rules which relate to the alleged violation.
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at the Charter School to any other school district or school to which the student seeks enrollment.
5. The opportunity for the student and/or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor.
6. The right to inspect and obtain copies of all documents to be used at the hearing.
7. The opportunity to confront and question all witnesses who testify at the hearing.
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

F. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the

witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by the Charter School or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the student.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of their right to (a) receive five (5) calendar days' notice of their scheduled testimony; (b) have up to two (2) adult support persons of their choosing present in the hearing at the time the complaining witness testifies, which may include a parent/guardian or legal counsel; and (c) elect to have the hearing closed while testifying.
2. The Charter School must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which the complaining witness may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours the complaining witness is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany the complaining witness to the witness stand.
7. If one or both of the support persons is also a witness, the Charter School must present evidence that the witness' presence is both desired by the witness and will be helpful to the Charter School. The entity presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising their discretion to remove a person from the hearing whom they believe is prompting, swaying, or influencing the witness.
8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the student being expelled, the complaining witness shall have the right to have their testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

G. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

H. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the Administrative Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or Administrative Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have their testimony heard in a session closed to the public.

I. Expulsion Decision

The decision of the Administrative Panel shall be in the form of written findings of fact and a written recommendation to the Board of Directors, which will make a final determination regarding the expulsion. The Board of Directors shall make the final determination regarding the expulsion within ten (10) school days following the conclusion of the hearing. The decision of the Board of Directors is final.

If the Administrative Panel decides not to recommend expulsion, or the Board of Directors ultimately decides not to expel, the student shall immediately be returned to their previous educational program.

The Board of Directors may also determine to suspend the enforcement of the expulsion order for a period of not more than one (1) calendar year from the date of the expulsion hearing and return the student to the student's previous educational program under a probationary status and rehabilitation plan to be determined by the Board. During the period of the suspension of the expulsion order, the student is deemed to be on probationary status. The Board of Directors may revoke the suspension of an expulsion order under this section if the student commits any of the enumerated offenses listed above or violates any of the Charter School's rules and regulations governing student conduct. If the Board revokes the suspension of an expulsion order, the student may be expelled under the terms of the original expulsion order. The Board of Directors shall apply the criteria for suspending the enforcement of the expulsion order equally to all students, including individuals with exceptional needs as defined in Education Code Section 56026. The Board of Directors shall further comply with the provisions set forth under Education Code Section 48917, except as otherwise expressly set forth herein.

J. Written Notice to Expel

The Executive Director/Principal or designee, following a decision of the Board of Directors to expel, shall send written notice of the decision to expel, including the Board of Directors' adopted findings of fact, to the student and student's parent/guardian. This notice shall also include the following: (a) notice of the specific offense committed by the student; and (b) notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the Charter School.

The Executive Director/Principal or designee shall send a copy of the written notice of the decision to expel to the chartering authority. This notice shall include the following: (a) the student's name; and (b) the specific expellable offense committed by the student.

K. Disciplinary Records

The Charter School shall maintain records of all student suspensions and expulsions at the Charter School. Such records shall be made available to the chartering authority upon request.

L. No Right to Appeal

The student shall have no right of appeal from expulsion from the Charter School as the Charter School Board of Directors' decision to expel shall be final.

M. Expelled Students/Alternative Education

Parents/guardians of students who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. The Charter School shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

N. Rehabilitation Plans

Students who are expelled from the Charter School shall be given a rehabilitation plan upon expulsion as developed by the Board of Directors at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the student may reapply to the Charter School for readmission.

O. Readmission or Admission of Previously Expelled Student

The decision to readmit a student after the end of the student's expulsion term or to admit a previously expelled student from another school district or charter school who has not been readmitted/admitted to another school or school district after the end of the student's expulsion term, shall be in the sole discretion of the Board of Directors following a meeting with the Executive Director/Principal or designee and the student and student's parent/guardian or representative to determine whether the student has successfully completed the rehabilitation plan and to determine whether the student poses a threat to others or will be disruptive to the school environment. The Executive Director/Principal or designee shall make a recommendation to the Board of Directors following the meeting regarding the Executive Director/Principal or designee's determination. The Board shall then make a final decision regarding readmission or admission of the student during the closed session of a public meeting, reporting out any action taken during closed session consistent with the requirements of the Brown Act. The student's readmission is also contingent upon the Charter School's capacity at the time the student seeks readmission or admission to the Charter School.

P. Notice to Teachers

The Charter School shall notify teachers of each student who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code Section 49079 and the corresponding enumerated offenses set forth above.

Q. Involuntary Removal for Truancy

As charter schools are schools of choice and as a charter school student who fails to attend school is potentially depriving another student of their opportunity to enroll, a student may be involuntarily removed as described within the Charter School's Board adopted Attendance Policy for truancy and only after the Charter School follows the requirements of the Attendance Policy and only in accordance with the policy described above which requires notice and an opportunity for a parent, guardian, educational rights holder to request a hearing prior to any involuntary removal. Students who are involuntarily removed for truancy will be given a rehabilitation plan and will be subject to the readmission procedures set forth herein.

R. Special Procedures for the Consideration of Suspension and Expulsion or Involuntary Removal of Students with Disabilities

1. Notification of SELPA

The Charter School shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student that the Charter School or the SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although in another setting (which could constitute a change of placement and the student's IEP would reflect this change), and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional

behavioral assessment and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, the Charter School, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If the Charter School, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If the Charter School, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment and implement a behavioral intervention plan for such child, provided that the Charter School had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent/guardian and the Charter School agree to a change of placement as part of the modification of the behavioral intervention plan.

If the Charter School, the parent/guardian, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then the Charter School may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent/guardian of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent/guardian or the Charter School, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent/guardian and the Charter School agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a hearing.

In such an appeal, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

Charter School personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Executive Director/Principal or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated the Charter School's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the Charter School had knowledge that the student was disabled before the behavior occurred.

The Charter School shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to Charter School supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent/guardian has requested an evaluation of the child.
- c. The child's teacher, or other Charter School personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other Charter School supervisory personnel.

If the Charter School knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If the Charter School had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The Charter School shall conduct an expedited evaluation if requested by the parents; however, the student shall remain in the education placement determined by the Charter School pending the results of the evaluation.

The Charter School shall not be deemed to have knowledge that the student had a disability if the parent/guardian has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

Title IX, Harassment, Intimidation, Discrimination & Bullying Policy

Board Policy#: BP-6

Approved: November 21, 2019

Revised: November 21, 2019

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, Edison Bethune Charter Academy ("EBCA" or the "Charter School") prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, EBCA will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. EBCA school staff that witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, EBCA will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with whom EBCA does business, or any other individual, student, or volunteer. This Policy applies to all employees, students, or volunteer actions and relationships, regardless of position or gender. EBCA will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. EBCA complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

1. Placing a reasonable student * or students in fear of harm to that student's or those students' person or property.
2. Causing a reasonable student to experience a substantially detrimental effect on the student's physical or mental health.
3. Causing a reasonable student to experience a substantial interference with the student's academic performance.
4. Causing a reasonable student to experience a substantial interference with the student's ability to participate in or benefit from the services, activities, or privileges provided by EBCA.

* "Reasonable Student" is defined as a student, including, but not limited to, an exceptional needs student, who exercises care, skill and judgment in conduct for a person the student's age, or for a person of student's age with student's exceptional needs.

Cyberbullying is an electronic act that includes the transmission of harassing communication, direct threats, or other harmful texts, sounds, or images on the Internet, social media, or other technologies using a telephone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

Electronic act means the creation and transmission originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

 - b. Creating a credible impersonation of another actual student for the purpose of having one or more of the effects listed in the definition of "bullying," above. "Credible impersonation" means to knowingly and without consent impersonate a student for the purpose of bullying the student and such that another student would reasonably believe, or has reasonably believed, that the student was or is the student who was impersonated.
 - c. Creating a false profile for the purpose of having one or more of the effects listed in the definition of "bullying," above. "False profile" means a profile of a fictitious student or a profile using the likeness or attributes of an actual student other than the student who created the false profile.
3. An act of "Cyber sexual bullying" including, but not limited to:
 - a. The dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a student to another student or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects described in definition of "bullying," above. A photograph or other visual recording, as described above, shall include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.
 - b. "Cyber sexual bullying" does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned activities.
4. Notwithstanding the definitions of "bullying" and "electronic act" above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

Formal Complaint of Sexual Harassment means a written document filed and signed by a complainant who is participating in or attempting to participate in EBCA's education program or activity or signed by the Coordinator alleging sexual harassment against a respondent and requesting that EBCA investigate the allegation of sexual harassment.

Respondent means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Bullying and Cyberbullying Prevention Procedures

EBCA has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

EBCA advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

EBCA informs Charter School employees, students, and parents/guardians of EBCA's policies regarding the use of technology in and out of the classroom. EBCA encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

EBCA employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. EBCA advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at EBCA and encourages students to practice compassion and respect each other.

EBCA educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

EBCA's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

EBCA informs EBCA employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

EBCA annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other EBCA employees who have regular interaction with students.

EBCA informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

EBCA also informs certificated employees about the groups of students determined by EBCA, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth ("LGBTQ") and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

EBCA encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for EBCA's students.

Grievance Procedures

1. Scope of Grievance Procedures

EBCA will comply with its Uniform Complaint Procedures ("UCP") policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person's association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed (assistance will be provided if needed);
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying prohibited by this part, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the EBCA UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, EBCA will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Rodolfo Garcia
Edison Bethune Charter Academy
Executive Director/Principal
1616 S. Fruit Street. Fresno, CA 93706 Telephone Number:
(559) 457-2530

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. EBCA will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Executive Director/Principal, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

EBCA acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

EBCA prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this

Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to EBCA's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or EBCA's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. EBCA will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of EBCA to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of EBCA, the Coordinator (or administrative designee) will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator (or administrative designee) determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator (or administrative designee) will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, the Coordinator (or administrative designee) will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

- Notice of the Allegations
 - Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
 - A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - A statement that EBCA prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.
- Emergency Removal

- EBCA may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with EBCA's policies.
- EBCA may remove a respondent from EBCA's education program or activity on an emergency basis, in accordance with EBCA's policies, provided that EBCA undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
- This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.
- Informal Resolution
 - If a formal complaint of sexual harassment is filed, EBCA may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If EBCA offers such a process, it will do the following:
 - Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
 - Obtain the parties' advance voluntary, written consent to the informal resolution process.
 - EBCA will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.
- Investigation Process
 - The decision-maker will not be the same person(s) as the Coordinator or the investigator. EBCA shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
 - In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
 - The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
 - The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
 - A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
 - Prior to completion of the investigative report, EBCA will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
 - The investigator will complete an investigation report that fairly summarizes relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.
- Dismissal of a Formal Complaint of Sexual Harassment
 - If the investigation reveals that the alleged harassment did not occur in EBCA's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable EBCA policy.
 - EBCA may dismiss a formal complaint of sexual harassment if:
 - The complainant provides a written withdrawal of the complaint to the Coordinator;
 - The respondent is no longer employed or enrolled at EBCA; or
 - The specific circumstances prevent EBCA from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.

- If a formal complaint of sexual harassment or any of the claims therein are dismissed, EBCA will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.
- Determination of Responsibility
 - The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
 - Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness.
 - EBCA will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - The allegations in the formal complaint of sexual harassment;
 - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - The findings of facts supporting the determination;
 - The conclusions about the application of EBCA's code of conduct to the facts;
 - The decision and rationale for each allegation;
 - Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
 - The procedures and permissible bases for appeals.

5. Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from EBCA or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by EBCA in response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find EBCA's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of EBCA's decision or resolution, submit a written appeal to the President of the EBCA Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will also apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and EBCA will implement appeal procedures equally for both parties.
- EBCA will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

EBCA will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

Professional Boundaries: Staff/Student Interaction Policy

Board Policy#: BP-23

Approved: September 24, 2020

Revised: September 24, 2020

EBCA recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a pupil from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a pupil to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of

acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, the employee must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- (a) Giving gifts to an individual student that are of a personal and intimate nature.
