ELOP WINTER ACADEMY/ ACADEMIA DE INVIERNO

 Connecting interactive and engaging activities (e.g. STEM, robotics, dance, outdoor education, video game design) to school-day academic standards, behaviors, and habits can increase student engagement, broaden student perspectives, spark curiosity, and boost academic performance in school.

VIDEO: https://fb.watch/oUYibSxrjq/

 Conectar actividades interactivas y atractivas (por ejemplo, STEM, robótica, danza, educación al aire libre, diseño de videojuegos) con los estándares, comportamientos y hábitos académicos de la jornada escolar puede aumentar la participación de los estudiantes, ampliar sus perspectivas, despertar la curiosidad e impulsar el rendimiento académico en la escuela.
