

EDISON-BETHUNE CHARTER ACADEMY

SCHOOL SPONSORED FIELD TRIPS & CULTURAL EXCURSIONS POLICY

The Board of Directors of Edison-Bethune Charter Academy (“EBCA” or the “Charter School”) recognizes and supports the concept of connecting our students with the broader community, both locally and globally, by providing field trips, cultural and art experiences, community service opportunities, and environmental education to fulfill the Charter School’s mission and philosophy. These activities help to promote tolerance, understanding, and acceptance of others, and enrich the educational experiences of the students, as well as meet the Charter School’s goal of creating passionate life-long learners.

The safety and security of our students is a primary priority when planning or participating in field trips or excursions. These activities will be carried out in an appropriate manner to maximize and ensure student safety and to minimize the Charter School’s legal liability and financial cost.

Definition

A field trip or excursion is defined as students leaving Charter School grounds to participate in school sponsored educational opportunities in connection with the Charter School’s course of study or school related social, educational, cultural, athletic, school band or other extracurricular or cocurricular activities.

Selection of Field Trips and Excursions

The teaching team will continue to research and provide enriching learning opportunities to share with their students both within the classroom and out in the broader community. The Executive Director/Principal shall have the authority to approve all in-state day (non-overnight) field trips and excursions. Requests for out of state, out of country or overnight travel shall be brought before the Board of Directors for approval. The Executive Director/ Principal will initially receive all such requests and make a recommendation to the Board of Directors as to whether the request should be approved.

The Executive Director/ Principal will ensure that the following items will be adhered to for all Charter School field trips and excursions:

- 1.) The proposed field trip or excursion relates to the Charter School’s educational objectives
- 2.) The correct ratio of adult to students is met for supervision of the activity
- 3.) A means of transportation to and from the activity is provided
- 4.) Adequate restroom facilities, food and water will be available during the activity

The Executive Director/ Principal shall not approve any activity that he/she considers to be inherently dangerous to students.

Permission Slips

Before a student can participate in a school-sponsored trip, the teacher shall obtain parent/guardian permission for the trip. Whenever a trip involves water activities, the parent/guardian shall provide specific permission for his/her child to participate in the water activities. The Charter School shall provide an alternative educational experience for students whose parents/guardians do not wish them to participate in a trip.

All persons making the field trip or excursion shall be deemed to have waived all claims against the Charter School or the State of California for injury, accident, illness, or death occurring during or by reason of the field trip or excursion. All adults taking out-of-state field trips or excursions and all parents/guardians of students taking out-of-state field trips or excursions shall sign a statement waiving such claims.

Items that will be included on the permission slip are:

- 1.) An emergency phone number for the student
- 2.) Any medications the student is required to take with the time and dosage required
- 3.) Any medications the student is allergic to
- 4.) Any other medical information necessary to ensure the student's safety
- 5.) Waiver as described above

A copy of a completed and signed permission slip will be kept on the Charter School site and one copy will be given to the teacher or teachers to take on the field trip or excursion.

Voluntary Participation

The Charter School will provide alternative educational activities to those students who choose not to attend a specific field trip or excursion. Parents/guardians will have advance notice of any upcoming field trip or excursion and have the option to withdraw their permission for their child to attend that field trip or excursion.

Disciplinary Rules

Students are under the jurisdiction of the Charter School Board at all times during the field trip or excursion and all Charter School disciplinary policies continue to be enforced during field trips and excursions. Charter School disciplinary policies are to be adhered to at all times. (e.g. Horseplay, practical jokes, harassment, taunting, rough play, aggressive or violent behavior, profanity, viewing of pornographic material, and use of alcohol and/or controlled substances during the field trip or excursion are strictly prohibited.)

Except as otherwise required by law, a student may be excluded from the trip if their presence poses a safety or disciplinary risk.

Defraying Expenses of Field Trips and Excursions

The Charter School may charge a fee for field trips and excursions pursuant to section 35330 of the Education Code. However, the Charter School will endeavor to keep the costs of any field trips

affordable for all students' families. In no event will a student be prevented from participating in the field trip or excursion due to lack of sufficient funds. In accordance with Education Code section 35330(b), the Charter School will coordinate the efforts of community service groups to supply funds for students in need.

Supervision of Field Trips and Excursions

The teacher who coordinated the field trip will be present to supervise the field trip or excursion, except in unusual circumstances when a replacement teacher is assigned because of an unexpected unavailability. The Executive Director/ Principal will be designated as the emergency contact for the group on the field trip or excursion. Any injuries or unusual incidents occurring during the field trip or excursion will be documented in writing by the coordinating teacher and given to the Charter School's Executive Director/ Principal.

The Executive Director/ Principal shall ensure that the field trips and excursions have an adequate number of adults attending to safely supervise the student attending the field trip or excursion.

A first aid kit shall be in the possession of or immediately available to a teacher, employee, or agent of the school during the student field trip or excursion. Accident Insurance

The Charter School provides student accident insurance which covers medical expenses arising from student injuries on campus or while participating in a Charter School-sponsored off campus activity. The family's health insurance is primary, but if there is no health insurance, the Charter School's Student Accident Insurance becomes primary. Information and applications for student accident insurance are available from the Executive Director/ Principal. The cost incurred by the Charter School shall be covered by the pupil or his or her parent or guardian.

Parent or Guardian Participation in Field Trips and Excursions

As field trips and excursions are an integral part of the Charter School learning experience, parents are encouraged to participate in an assisting role with students. The Executive Director/ Principal or the coordinating teacher will provide parents and guardians with specific supervisory guidelines prior to any Charter School group trip involving students. Topics to be included are safety regulations, emergency responses, and responsibilities of the parent volunteers and language or behavior requirements of all attendees.

A participating parent or guardian will be assigned to a specific group of students to supervise and will be responsible for these students at all times during the field trip or excursion. Under no circumstances will a parent or guardian consume alcohol or use controlled substances (except for medications taken under a physician's orders) during a field trip or excursion. The parent or guardian will notify the coordinating teacher, in advance of the field trip or excursion, should he/she be under a physician's orders and using medications.

All adults taking out-of-state field trips or excursions, and all parents or guardians of pupils taking out-of-state field trips or excursions are required to sign a statement waiving all claims against the Charter School, its employees, and the State of California for injury, accident, illness or death occurring during or by reason of the field trip or excursion.
